Zoe O'Mara

CASE COORDINATOR

Zoe graduated from Curtin University with a Bachelor of Science (Physiotherapy) in 2017. After leaving university Zoe worked in Private Practice for two years where she assessed, diagnosed, treated and managed a variety of musculoskeletal conditions. Zoe joined Biosymm in 2020 as a Perth Clinic Physiotherapist, where she is able to use her passion for early intervention and injury prevention including ergonomic assessment to help clients achieve the best outcomes.

Jack Leversuch

PHYSIOTHERAPIST

Jack joined the Biosymm team in early 2021. He graduated as an award-winning student in the class of 2019 from The University of Notre Dame and has been practicing since. Initially working in a primarily musculoskeletal role, involved with clients ranging from the AIS/WAIS hockey programs, to clients with injuries sustained from the working environment. He then moved to an outpatient clinic role which broadened his exposure to orthopaedic and long-term injuries.

Since joining the Biosymm team, Jack has worked in a clinic-based role, seeing private clients and clients of private companies, both hands on and through the telehealth program. He has since begun work on site in an injury management and prevention manner with companies including Iluka and Coca-Cola.

Charles Baker

PHYSIOTHERAPIST

Charlie graduated from Curtin University with a Bachelor of Science in Physiotherapy in 2020. He has worked in private practice prior to joining Biosymm, where he took a special interest in strength and conditioning rehabilitation and vestibular physiotherapy. Since joining Biosymm Charlie has worked in a clinic-based role treatment musculoskeletal injuries, completing functional capacity assessment and delivery ergonomic training.
